We are hiring our:

COO (Chief Operating Officer)

He/she will get the following responsibilities:

- Design, plan and implement business strategies, plans and procedures
- Set comprehensive goals for business growth and success
- Establish policies and procedures that promote company culture and vision
- Oversee daily operations and the work of executives
- Lead employees with an example
- Be a motivator for other employees
- Analyze and interpret data and metrics
- Create reports for the management
- Take the lead in expansion activities
- Maintain relationships with partners and vendors

The COO should have a previous working experience as COO for 5 years, a Master in Business Administration or similar relevant field, in-depth knowledge of different business functions such as HR, Finance, marketing etc., a hands-on experience in fundraising, strategic planning and business development, good knowledge of data analysis and KPIs, be familiar with IT/Business infrastructure, have outstanding organizational and time management skills, excellent interpersonal and leadership skills, great communication and presentation skills and a problem-solving mind-set. A surplus would be a sound knowledge of export control regulations and/or product classification.

All positions require an excellent command of English. French and/or German are considered as an advantage. Working place is Luxembourg. Start-up mood, great motivation and excellent teamwork ability are presumed from all candidates.

Positions will be filled September 2020 at the latest.

Applications (CV in English, portrait picture, no cover letter): online on www.respectus.space/jobs.

After a first selection, interviews by video-conference will be organized.

16 June 2020
